2. NEW BI VISUALIZATIONS
3. DEMO
BI Aggregations: Powerful...

- BI module offers powerful aggregation logic for checkmk
- Offers various layouts
  - Tree view
  - Boxes
  - Table
CURRENT BI VIEWS

...yet sometimes visually challenging

- Especially for larger aggregations, layouts are a bit cumbersome to use.
- Lots of scrolling...
This is why we are building a new visualization

- Intuitive
- Fully customizable
- Zoomable
Let’s take a look...
